PROFESSIONAL OVERVIEW

Anenthusiastic CSE student combining analytical thinking with data analysis and visualization skills. Passionate about turning raw data into actionable insights and supporting business decisions through Excel, SQL, and reporting techniques. Seeking an opportunity to apply data-driven problem solving and contribute to real-world business success.

WORK EXPERIENCE

Data Analyst Intern– AatzyTechnologies
Worked on competitor analysis, data collection, data cleaning, and reporting using Excel. Generated insights from market data and supported business decision-making through structured reports.

MySQL Intern – Sputnik Info Tech
Worked on relational database design, schema creation, and SQL query optimization. Managed data efficiently through database normalization and query execution.

PROJECT

Brain Tumor Detection - IoU Optimization – Built a Deep Learning-based application to detect and classify brain tumors from MRI images. Enhanced prediction accuracy through IoU optimization and deployed the model using Flask for real-time result visualization**.**

E-Commerce Sales & Customer Analytics Dashboard (Ongoing) – Developing an end-to-end analytics solution using Excel, SQL, Python, Power BI, and Tableau. Performing data cleaning, EDA, KPI analysis, and dashboard development to generate business insights from sales and customer data.

CERTIFICATION

Introduction to MS EXCEL – Simplilearn [June 2026]
Introduction to SQL – Simplilearn [June 2026]
Human Computer Interaction – NPTEL [Oct 2025]
Introduction to Data Analytics – Simplilearn [June 2026]
Cloud Computing – NPTEL [Oct 2025]
Data Analysts Bootcamp – Udemy [2026]
Python For Beginners – Simplilearn [Oct 2026]
Introduction to Tableau – Simplilearn [Oct 2026]
Master Class Power BI - NoviTech R&D Private Limited [Oct 2026]

ACHIEVEMENTS

Received the **Event Coordinator and Cinematographer** Award for outstand ing dedication, creativity, and active contribution to departmental events and initiatives.

EDUCATION

B.E. CSE, SIT Virudhunagar
CGPA (Completed)**– 7.5/10**
HSC, Fusco's, Madurai
Percentage (2021–2022) **– 73%**
SSLC, Saracens, Madurai
Percentage (2019–2020) **– 65%**

SKILLS

- Python
- SQL
- Data Visualization
- Data Scraping

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Attention to Detail
- Communication

TOOLS

- Ms Excel
- VS code
- Power BI
- Tableau
- Jupyter Notebook

INTEREST

- Dashboard Design
- Chess
- Statistical Analysis

LANGUAGE

- English
- Tamil
