PROFESSIONAL OVERVIEW

An enthusiastic CSE student with a strong interest in cloud computing and infrastructure management. Familiar with cloud technologies, networking fundamentals, virtualization, and deployment processes. Passionate about building scalable, secure, and reliable cloud solutions while developing technical expertise in automation and cloud services. Seeking an opportunity as a Cloud Engineer to apply my skills, gain practical experience, and contribute to real-world cloud infrastructure and technology projects.

EDUCATION

Sethu Institute of Technology, Tamil Nadu, India 2022 – 2026

- Bachelor of Engineering (Computer Science and Engineering)
- CGPA: 7.5 / 10

Fusco's, Madurai, Tamil Nadu 2021 – 2022

- Higher Secondary Certificate (HSC)
- Percentage: 73%

Saracens, Madurai, Tamil Nadu 2019 – 2020

- Secondary School Leaving Certificate (SSLC)
- Percentage: 65%

WORK EXPERIENCE

Aatzy Technologies - Data Analyst Intern Dec 2025 – May 2026

- Conducted competitor analysis and market research to identify industry trends, business opportunities, and competitive insights.
- Collected, cleaned, and organized datasets using Microsoft Excel to improve data accuracy and consistency.
- Analyzed market data and prepared structured reports to communicate key findings and business insights.
- Supported business decision-making through data research, analysis, and reporting activities.

Sputnik Info Tech - MySQL Intern June 2024 – June 2024

- Worked on relational database design, schema creation, and database management.
- Developed and executed SQL queries to retrieve, manipulate, and manage structured data.
- Applied database normalization techniques to improve data organization and reduce redundancy.
- Practiced SQL query optimization to improve database performance and efficiency.

PROJECT

Brain Tumor Detection – IoU Optimization | Deep Learning Project Jan 2026 – Apr 2026

- Developed a deep learning-based application using Faster R-CNN with a ResNet-50 backbone to detect and classify brain tumors from MRI images, applying image processing and object detection techniques.
- Focused on Intersection over Union (IoU) optimization to improve detection performance and integrated the trained model with Flask to enable real-time prediction and visualization.

Help Desk Ticket Management System – Cloud & DevOps Deployment (Ongoing)

- Developing a Python Flask-based ticket management application with REST APIs and Docker containerization for consistent application deployment.

- Extending the application to AWS using EC2, VPC, IAM, Terraform, and planning CI/CD automation and infrastructure monitoring.

SKILLS

Technical Skills : Linux Fundamentals , Cloud Computing , Networking Fundamentals , Virtualization , Cloud Infrastructure Management , Python Basics

Soft Skills : Analytical Thinking , Problem Solving , Attention to Detail , Communication

Tools : AWS / Microsoft Azure , Linux , Git & GitHub , Docker , VS Code , Terraform

Interest : Chess **,** Cloud Computing & Infrastructure , Linux & Networking , Cloud Security , Exploring New AI Technologies

Languages : Proficient in English and Tamil.

CERTIFICATIONS

- **Python for Beginners –** Simplilearn | October 2026
- **Introduction to the Computer Networking –** Simplilearn October 2026
- **Introduction to Cloud Security –** Simplilearn October 2026
- **Cloud Computing –** NPTEL | October 2025
- **Getting Started with AWS** – Simplilearn October 2026
- **Azure Fundamentals** – Simplilearn October 2026

OTHER CERTIFICATIONS

- **Human Computer Interaction –** NPTEL | October 2025
- **Certification of Presentation** - SIT | March 202

ADDITIONAL TECHNICAL TRAINING

Project-Based Robotic Training – IoT (10 Days)

1. **Zetspire Technologies Private Limited, Madurai | January 2024**
2. **Zetspire Technologies Private Limited, Madurai | June 2024**

Attended project-based robotic training conducted through the e-Yantra Lab Setup Initiative (eLSI) at Sethu Institute of Technology, associated with IIT Bombay e-Yantra.

ACHIEVEMENTS

- Received the Event Coordinator and Cinematographer Award for outstanding dedication, creativity, and active contribution to departmental events and initiatives.
